

Transportation Planners
Southeastern Regional Planning and Economic Development District (SRPEDD)

SRPEDD seeks to fill two (2) positions within the Transportation Planning Department. Under the supervision of the Transportation Planning Manager, planners will perform a wide variety of transportation/transit planning tasks necessary to support the day-to-day functions of the Regional Planning Agency and two Regional Transit Authorities.

Requires knowledge of: the principles, practices, and methods of planning and technical support functions; transportation planning and analysis, transit planning, Geographic Information Systems (GIS), community transportation improvements and Complete Streets.

Job duties include: conducting transportation and transit data collection and analysis, transportation and transit planning related studies; managing geo-databases; working with local communities; state and federal agencies as well as Regional Transit Authorities; making presentations at public meetings; coordinating work with other planners and departments. Performs other duties as assigned. Attendance at some night meetings required.

A Master's degree in Transportation Planning, Urban Planning or a closely related field, and one-year experience in transportation and/or transit planning is preferred.

Ability to speak, read and write the English language and facility with Windows based software programs. Competency in GIS and data base management a plus. Ability to communicate effectively, both orally and in writing, with elected officials, co-workers, other professionals, and the general public. Looking for a team worker comfortable in a collaborative environment, but also independent enough to take initiative on projects.

Starting Salary

Positions may be filled at a higher or lower level depending upon education and experience; positions open until filled. Salary range is \$35,000 to \$60,000, depending upon qualifications. SRPEDD offers full employee benefits including health care, dental care and retirement plan.

Deadline for Applications:

Forward cover letter, resume, and three (3) professional references via email by March 16, 2018 to:

Paul Mission, Transportation Planning Manager
